Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for any land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

File No. 3-1707.

Office of the Chairman

OTTAWA - JAN 15 1931

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Frederick Breen,
S.W.¼ 36-1-22 W.4th M. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 8th April, 1920, the settler secured advances from the Board totalling $1701.64, as follows: stock and equipment, $1101.64; permanent improvements, $600.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the W.½ 36-1-22 W.4th M., the settler's patented soldier grant.

The Board is informed that the settler has completed his duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands dated the 29th October, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1121, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates disposing his farming property. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and to enable the settler to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to the Board hereby requests that the right, title and interest of the Soldier Settlement Board in the S.W.¼ 36-1-22 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

Sir;-

Referring to your letter of the 8th of April last, file 2675368, I beg to advise you that Mr. Mar Kee, the homesteader on the South East quarter of Section 15, Township 35, Range 5, West of the 4th Meridian, has not in any way satisfied me that he is in residence on the land and complying with the Regulations as required by your letter above referred to. His entry for the land has, therefore, been cancelled and is being disposed of according to the Regulations.

It is noted that a declaration by this homesteader's father was sent on the 18th ult., to Head Office but it is known that the son, who is a Chinaman, has been in China for over two years and is suffering from tuberculosis in the hip-joint, and it is very doubtful if he will be allowed to re-enter Canada.

Seed Grain Advisory Board.

Re: Account of Wm. Stewart
S.W. 30-18-2-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 and 1922 seed grain amounting to $247.00 was advanced to Wm. Stewart on the security of the above mentioned land. A payment of $90.00 was received in 1927 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 247.00	$ 483.15	$ 730.15

The S.W. 30-18-2-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1919 and 1922.

Title to the land now stands in the name of Emanuel Friemark of Medicine Hat, Alberta, and there is no record of the liens having ever been registered against the land.

As the liens were never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

Dear Sir:

RE: S.W. 7-1-13-W.4th Mer.
N.W. 1-17-3-W.4th Mer.

I have your letters of the 5th and 7th instant referring to old accounts against the above noted land for advances of seed grain and advances of relief and fodder and seed grain to Neil Sinclair and George Wilson respectively.

According to the records of this department this land does not come under the jurisdiction of the province as patent was issued in the case of the S.W. 7-1-13-W.4th Meridian, on July 8th, 1927 and for the N.W. 1-17-3-W.4th Meridian, on December 4th, 1935.

This land is located outside of the present settlement area for agricultural purposes but it is not known whether the land is being used for farming purposes.

Re: Account of George Wideman
N.W. 13-17-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $81.00 was advanced to George Wideman on the security of the above mentioned land. A payment of $28.55 was received in 1926 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 81.00	$ 158.15	$ 239.15

The N.W. 13-17-3-W4 was formerly the pre-emption entry of the debtor on which security he obtained an advance of seed grain in 1921. His entry was later cancelled and the land re-entered upon by another party to whom patent issued on the 4th of December 1935, and there is no record of the lien having ever been registered against the land.

According to an Abstract of Title dated the 24th of March 1953, title to the land now stands in the name of Joshus Thomas Turner, clear of any encumbrance.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

NOTE KINDLY FOLLOW INSTRUCTIONS ON BACK

When completed this form, in triplicate, should be sent to the Deputy Minister of Municipal Affairs of your Province, who will send two copies to the Controller of Revenue, Department of the Interior, Ottawa.

All liens against unpatented Dominion lands must be taken in triplicate. The full name of the applicant and correct post office should be given.

Care must be taken that the description of the applicant's unpatented land is correct.

Where the applicant is the holder of unpatented Dominion land and is also the registered owner of patented land, you will correctly describe in the space provided the patented land, of which he is the registered owner.

All advances for fodder and relief in cases where a man holds both patented and unpatented lands become a charge and will be registered against both his patented and unpatented lands. It is, therefore, necessary to exercise the greatest care in describing the lands.

It is essential that you send these liens forms, when completed, at once, and not hold same in your office.

Dear Sir:

Re: Estate of A. V. Robinson, deceased
SW 20-1-20-W.4th

We have been requested by the solicitors acting on behalf of the above mentioned estate to deal with the matter of 5 liens presently registered against the title.

From our records we have been able to determine that two of these liens were filed in connection with Joint relief advances, particulars of which are available at this office. We have been unable to establish identity for the following:

S.G. Bond, Albert V. Robinson to Crown
$47.10 & 7 P/C Int. from 16 May, 1921) No. 77226
$22.50 & 7 P/C Int from 3 May, 1922) 6588 B.U

It is presumed that these two liens may have been filed in connection with Dominion advances and if such is the case, we would appreciated your up-to-date statement in connection with this account at your earliest convenience. Remaining lien has been filed under the Agricultural Advances Act 1936.

BOARD ORDER
No. 11256

Dear Sir: -

Re: S.W.¼ - 20 - 1 - 20 - W4thM
Albert V. Robinson
Dominion and Joint Relief Advances

The above named obtained the following advances for which a Seed Grain Bond has been registered against the title to this parcel.

Dominion Advances:		
Seed Grain 1921 -	$	47.10
Seed Grain 1922 -		22.10
		69.20
Interest to March 31st, 1954 -		81.73
		150.93
Paid April 20th, 1925 -		48.65
	$	102.28
Joint Relief Advances:		
January 31st, 1922 -	$	39.92
April 15th, 1922 -		76.70
		116.62
Interest to March 31st, 1954 -		162.31
		278.93
Less Payments -		64.42
	$	214.51

The statement of account for Dominion Advances shows the sum of Thirty-three dollars and fifty cents ($33.50) outstanding on principal and Sixty-eight dollars and seventy-eight cents ($68.78) interest charges. Joint Relief principal is One hundred and sixteen dollars and sixty-two cents ($116.62) and interest charges are Ninety-seven dollars and eighty-nine cents ($97.89).

Continued page 2.

The debtor is deceased and his widow and beneficiary of his estate has through her solicitors approached this office for a compromise settlement of the account and discharge of the liens. An offer and payment of One hundred and fifty dollars and twelve cents ($150.12) has been received.

The debtor farmed the above described parcel and the N.E.¼-21-1-20-W4thM for more than 30 years. Many of these years the area suffered adversity due to climatic conditions and low farm prices. Under these circumstances repayment of the advances was not made. The widow is advanced in years and will require the income from the small estate to maintain herself.

Under these circumstances I believe that the payment of One hundred and fifty dollars and twelve cents ($150.12) should be considered as a satisfactory settlement in full of the accounts.

I would, therefore, recommend that the sum of Sixty dollars($60.00) be applied on account of Dominion Advances and Ninety dollars and twelve cents ($90.12) be applied on account of Joint Relief Advances. Application in this manner would be sufficient in each case to cover the principal and part of the interest charges.

After providing for application of these amounts it is my further recommendation that the accounts be considered settled in full and the Seed Grain Bond be discharged from the title.

Yours truly,

Re: S.E. ¼ of 35-1-20 W.4th Mer.

I beg to advise you that on the 18th of December, 1917, Mr. Richard Yates made application for patent for his homestead, above described, and has on several occasions been requested to arrange for the attendance at this office of another witness, who is able to corroborate his statements, but as Mr. Yates has failed to make such arrangements, I shall be pleased if you will, when next in the vicinity of this land, obtain the evidence of another witness.

As the residence duties were performed by residing upon the North East quarter of Section 35, the homestead of R. H. Yates, it is necessary that I be furnished with evidence of ownership of this land. This evidence may be submitted either in the form of the Duplicate Certificate of Title or Registration Abstract. You should also obtain a declaration from Mr. R. H. D.M. Holladay, Esq.,

RAYMOND, Alberta.

Dear Sir:

Re: S.E. 35-1-20-W.4th.

We wish to thank you for completing the mimeographed form which we sent you requesting certain information regarding the above land. You have indicated in your letter that the Municipal District of Sugar City No. 5 is anxious to settle this account and you would like to be advised of the amount required to do this. Our account is for seed grain and relief obtained by Richard Yates in 1915. The present standing is as follows:-

Principal	Interest	Total
$ 105.30	$ 195.41	$ 300.71

In cases such as this, where the Municipal District has obtained title through tax foreclosure proceedings, the Seed Grain Advisory Board is usually agreeable to a settlement on a pro-rated basis. However, it has been found in some cases by pro-rating the accounts our share is larger than the usual settlement to individuals, which is on the basis of the principal and one half of the accrued interest. The suggested present day value of $3200.00 would indicate that this would probably be the case if we pro-rate our account with yours. It would, therefore, seem more equitable to base our settlement on the basis of the principal and one half of the accrued interest, which in this case would amount to $203.00. On the receipt of this amount it will be recommended to the Board that it be accepted in full settlement of the Federal indebtedness.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Richard Yates,
S.E. 35-1-20-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $105.30 were advanced to Richard Yates on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 105.30	$ 200.68	$ 305.98

In reply to our questionnaire concerning the S.E. 35-1-20-W.4th dated the 18th of November, 1953, D.M. Holladay, Secretary Treasurer, Municipal District of Sugar City No. 5, Raymond, Alberta, informed us that the Municipality had obtained title to this quarter section through tax foreclosure proceedings and asked this Department what amount would be acceptable to settle the indebtedness.

After negotiations the sum of $203.00, representing the principal and approximately one half of the accrued interest, has been received in full settlement of our account. Under the circumstances this is considered equitable.

I beg to advise you that as the Department has received an official certificate of the regrettable death in action of your son, Pte. James T. Patent for the pre-emption, the S.E.¼ 21-1-20-W.4M., may also be issued when the land has been paid for in full. According to our records the amount due in connection with this pre-emption is as follows:-

1st instalment $159.00 and interest on same at 5% from 2-5-15 to date of payment.

2nd instalment $63.60 and interest on same at 5% from 2-5-16 to date of payment.

3rd instalment $63.60 and interest on same at 5% from 2-5-17 to date of payment.

Balance of principal $190.80 on which no interest is payable until instalments are due.

You will be notified of the issue of patent for the homestead which will be forwarded to the Registrar for the Land Registration District in which the land is situated.

It may be stated that a brother of the deceased, Mr. William Alcock, of [illegible], Alberta, is being advised to the above effect by a copy of this letter, as is also the Rev. J. H. Memorandum:

OTTAWA - JAN 7 1930

Request for Transfer of Dominion Land under Section 27 of the Soldier Settlement Act.

Re: J. A. Downie,
N.E.¼ 36-1-20 W.4th M. (Hsd.)

The above-described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in December, 19[illegible] and in due course secured advances from the Board amounting to $[illegible], as follows: land, $[illegible]00.00; permanent improvements, $[illegible].30; stock and equipment, $224.03; special advances, $230.73. As security the Board holds a charge on the settler's homestead. There is no other land security held by the Board in this case as the S.E.¼ [illegible]-1-20 W.5th M., purchased for the settler has been resold.

Early reports on this settler stated that he was energetic, a good worker, with a fair knowledge of farm management. Later reports indicated that he had become a poor type of settler, lazy, and indifferent, and not taking his proposition seriously. Evidently the novelty had worn off and the settler realized that he was not being given something for nothing, and that hard work was necessary. In March, 1925, the settler wrote to the District Office stating that his 1924 crop did not warrant threshing, and as he had put more into the farm than he had ever got out of it he had decided to leave. He requested that the Board arrange for the care of the stock and equipment immediately. Adjustment proceedings were instituted and the usual Thirty Day Notice was forwarded to the settler on the 29th April, 1925, to which no defence was filed.

After crediting the sale price of the quarter-section purchased for the settler, his indebtedness to the Board amounts to $3573.63. The homestead is valued at $[illegible]00.00. No arrangements have been made for the disposal of this land and no offers have been received. This quarter-section is situated in the Arid Area.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the said land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler after the date of entry for his homestead.

WHEREAS it is in effect provided in and by section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10 Geo. AND WHEREAS J. A. DOWNE, formerly of DIDSBURY, in the province of ALBERTA, a settler holding the following described Dominion land, viz: N.E.¼ 36-1-28 W.4th Meridian (Homestead).

upon the security of which the sum of $7388.06 has been disbursed and upon which a charge has been created by virtue of the provisions of Section 26 of The Soldier Settlement Act, 1919, being in default with respect to the terms and conditions of the Agreement executed to the Board on the 18th day of January, 1921., in that he abandoned the land for the working, improvement and occupation of which advances were made to Him by the Board, and otherwise failed to comply with the Loan regulations of the Board, the undersigned upon a request

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.
